## DEANSHIP

Of the Law School at the State University is Not Settled Yet.

CHARLESTON, Jan. 21.—State Superintendent of Schools M. P. Shawkey and City Superintendent of Schools George S. Laidley have returned from Montgomery where they spent the latter part of the week in conference with the third member of the subcommittee on the appointment of a dean for the law school at the university. This third member of the committee is Earl W. Oglebay, of Wheeling.

No announcement of the selection of a dean was made, but there are indications that the sub-committee has taken up its mind on the man, and that they have secured the consent of the man. This, however, is conjecture only, but is backed by many indications.

All Superintendent Shawkey would say is that he expects to call a meeting of the full membership of the board to assemble here in a short time, and the belief is current that at that time the sub-committee will be in a position to produce the man, leaving the endorsement of the choice up to the committee itself.
